

Sponsor A Pet

Millions of families have at least one pet in their family. Millions more would like to have one, but for a variety of reasons, can't take one into their homes at this time.

Homeward Bound would like to help those of you who are not able to adopt at this time but would like to care for a homeless pet. We are looking for sponsors for our animal friends at the shelter. You would help with the cost of keeping the pet – vaccines, worming, flea medicine, spaying/neutering, and food. The pet would be your 'foster child' for its entire stay at Homeward Bound. If it doesn't already have a name, you would be able to name them, come out and walk them and play with them. They would have a sign on their cage or kennel saying that they are being sponsored by you.

You can specify whether you would like a cat or dog, male or female and what age group.

Please sign up today and help us help the animals.

Please complete, sign and detach this form and send it, along with your check or money order to:
